## Your Migration Was Successful

We're pleased to share that your retirement plan successfully migrated to Ascensus. You'll find everything you need to continue managing your plan on the [Ascensus plan website](#). While the website address is new, you can continue to log in with your existing username and password.

**For you:** Review your [Plan Reference Sheet](#) or key information, including your new plan ID, website addresses, service contact information, and instructions for submitting check and wire deposits.

**For your participants:** We'll email this [Participant Checklist](#) to participants (if we have an email address on file) to help them easily access the [employee website](#) and take action on their accounts. The checklist will also be posted to the [participant migration website](#). Please be sure to share a copy of the checklist with any participants who do not have an email address on file.

Thank you for the opportunity to continue serving your plan and helping

your participants save for a better future.
