

It's almost time for your plan migration

Everything You Need Ahead of Your Plan Move

This weekend, your retirement plan will migrate to the Ascensus recordkeeping platform—and we're excited to welcome you. As part of making sure your plan is ready for full access after migration, our team works throughout the weekend validating everything is ready to go. Quality assurance will continue for as long as necessary into the week. As soon as your plan migration is complete, you will receive an email notification, followed by informing your participants shortly thereafter (if we have an email address on file).
