

Welcome!

We're pleased to share that your Vanguard 403(b) Services account has successfully moved to the Ascensus recordkeeping platform.

You'll continue to find everything you need to manage your 403(b) account on www.vanguard.com, and you can access your account with your existing username and password.

Once you've logged in:

- **View your balance**, which is now updated as of the previous business day's market close.
- **Confirm your savings rate is accurately reflected** to see your potential monthly retirement income.*
- **Review your beneficiary information**, and update if needed, to protect your retirement assets.
- **Re-establish or opt in to automatic account rebalancing** by going to **Shortcuts > Schedule an Automatic Rebalance**.

Your quarterly statements will have a new look.

Moving forward, your quarterly statements will look slightly different—and you'll still be able to easily see your balances and account activity. If you receive your statement by mail, it will be sent from a different address, beginning with your fourth quarter statement.

We look forward to helping you save.

We're so glad your account is officially on the Ascensus recordkeeping platform. Over time, you'll benefit from robust support, personalized retirement tools, and new ways to save for a better future.
