MEET ASCENSUS—HELPING MORE PEOPLE SAVE MORE

Over the weekend of November 15, your retirement account will be securely moved from Newport to the Ascensus recordkeeping platform.

Newport recently joined Ascensus to form one company with the mission of helping more people save for a better future. Ascensus is the largest independent recordkeeping services provider in the United States¹—trusted by nearly 15 million savers—and recently earned 'Retirement Leader of the Year' (for the second time) at the Fund Intelligence Awards.²

THERE'S A LOT TO LOOK FORWARD TO

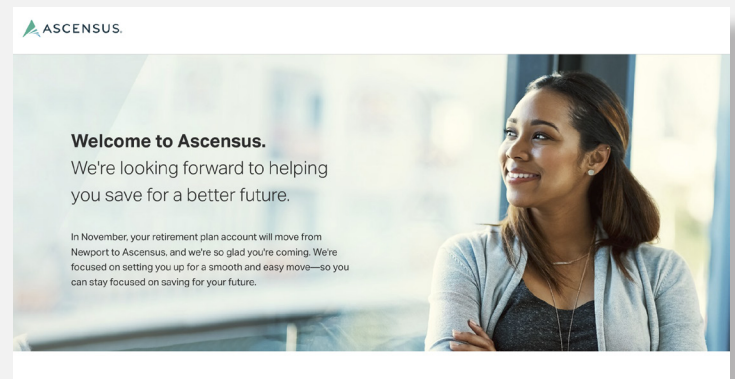

You'll still have access to many of the retirement planning tools you use today, such as My Forecast and Personal Performance—and you'll have new, personalized ways to save in the future.

- Get expert guidance from an award-winning financial wellness program.
- Enjoy secure, one-touch access to your account anytime on the Ascensus mobile app, **READYSAVE™**, to help you stay on track.

Visit your migration webpage for details about the move.
