New migration resources and information for your 403(b) plan

We recently shared the exciting news that your Vanguard 403(b) Services plan is migrating from Newport to the Ascensus recordkeeping and administrative services platform in mid-November.

Our top priority is ensuring a smooth experience. To help keep you informed, we've created a [migration website](#) to serve as a central location for you to easily access all migration information—including frequently asked questions, resources, and key dates.

This site will be regularly updated as we get closer to November, so consider bookmarking it for easy reference in the coming months. Additionally, we'll share a dedicated participant migration website with your plan participants to keep them informed.

Important dates related to migration

As part of your plan's migration, there will be a limited time known as a "blackout period" during which account access is restricted, and certain functionality, including transaction and loan processing, will be unavailable. **There is nothing you need to do.** We will communicate this information to participants directly.

If you have any questions, the Vanguard 403(b) client services team is happy to assist you at 877-893-5426 Monday through Friday from 8:00 a.m. to 8:00 p.m. ET.

For plan sponsor use only. Not for distribution to the public.
