

## Important Retirement Plan Update

### Good News: Your Vanguard 403(b) Account Payment Will Process Early

As we've previously shared, your Vanguard 403(b) Services account is migrating to the Ascensus recordkeeping and administrative services platform over the weekend of November 10. To ensure there are no delays to your scheduled November installment payment (typically processed between November 8-13), we will process your payment a few days early—on November 6.

Once the migration is complete, your payments will continue according to your regular payment schedule.

For more information about Ascensus and the recordkeeping platform change, visit your participant migration website anytime by going to: <https://nu5-transition.retsupport.com/participant/>

We look forward to welcoming you and helping you continue saving for a better future.
