

# Mark your calendar for November 15, 2024

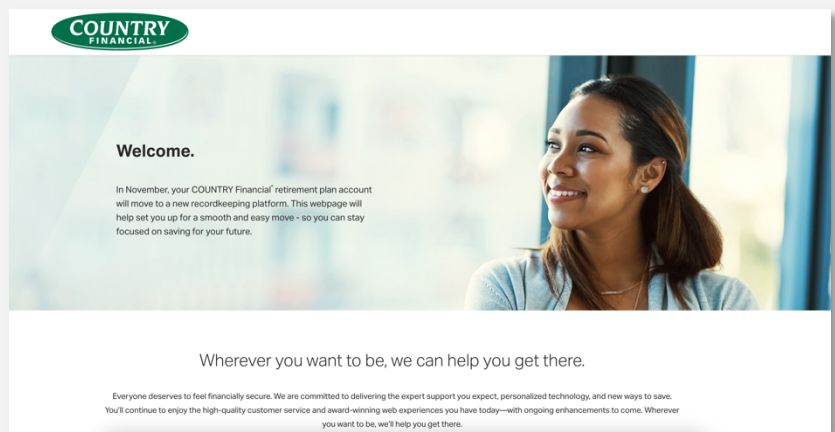

In November, your COUNTRY Financial® retirement plan account will move to a new recordkeeping platform.

## There's a lot to look forward to.

You'll still have access to many of the retirement planning tools you use today, such as My Forecast and Personal Performance—and, to help you stay on track, you'll enjoy secure, one-touch access to your account anytime on the READYSAVE™ mobile app.

Visit your [transition webpage](#) for details about the move.

## We'll be by your side every step of the way.

Watch for communications from us as we get closer to November. Your participant services team is also here to answer any questions you may have. You can reach them at 855-805-2971, even after your plan moves.
