

Change Your Investments

Our website provides you the convenience of changing your investments online.

STEP 1

From the Dashboard select:

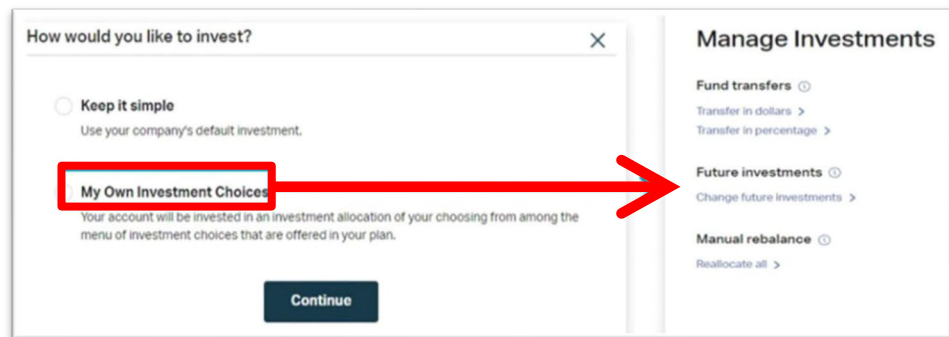

- *Shortcuts*
- *Explore My Options*

STEP 2

From Explore My Options select:

- *My Own Investment Choices*
- *Click Continue*

STEP 3

Three Options:

- **Fund Transfers:** Exchange one investment vehicle and purchase shares in another investment vehicle.
- **Rebalance:** Exchanges more than one investment vehicle at the same time. Rebalancing enables you to change the way assets are distributed throughout your portfolio.
- **Future Investment Elections:** Make changes to where your future contributions are invested.
